>>>[it's nice that this is in the form of a radio broadcast because it lets us explain the happenings of the world a lot, but it also allows us to write more "personal" stories (if that makes sense), having it as a radio show is a very nicely varied medium]<<<

Prandreytonahrosaliam <04-29-20>

>>>[mhm, that's why i wanted to keep the station kind of neutral at first. speaking of which how is Station Arcadia for a name for it? it can be placeholder for now, i'm just making notes]<<<

C_V_V_M <04-29-20>

>>>[ooh! arcadia is nice]<<<

Prandreytonahrosaliam <04-29-20>

>>>[dope into my notes it goes]<<<

SD <04-29-20>

>>>[We could name the podcast after the station... I'm not 100% sold on arcadia permanently but it's in the right vein]<<<

Prandreytonahrosaliam <04-29-20>

>>>[i do want to try and keep the station's name in line with the cassette futurism aesthetic we're going for at least a lil bit]<<<

Riz <04-29-20>

>>>[Ohh main character's name could be Cassandra or Cass, based off of the Greek prophet who was cursed with visions of the future but no one would believe her]<<<

[REDACTED] <04-29-20>

>>>[not too on the nose for greek stuff. i think arcadia is somewhat obscure, but most people will recognize cassandra]<<<

SD <04-29-20>

>>>[You're right Andy, it probably shouldn't be a literal translation of a spoiler]<<<

>>>[Yeah, Kassandra, Kass, or Kassi]<<<

Prandreytonahrosaliam <04-29-20>
